2. I agree to deliver my contribution to the Work, along with a 150-word abstract and 6 key words by **February 1st, 2019** in accordance with the timetable provided by the Editor of the book. 7. It is acknowledged that the Publisher may publish the Work at its own expense and in such style and manner and at such price, as it deems best suited to the sale thereof. In addition, it may make the manuscript conform to a style of punctuation, spelling and capitalisation and usage, as it deems appropriate.

8. I warrant and represent that I am the sole owner of my contributions to the Work and of all rights granted, and have full right, power and authority to enter into this Agreement; that my contributions to the Work are original with me; and that said contributions to the Work are not a violation of any copyright, proprietary or personal right; that I have not in any manner granted, assigned, encumbered or disposed of any of the rights herein granted to the Editor, or any rights adverse to or inconsistent therewith; that there are no rights outstanding which would diminish, encumber or impair the full enjoyment or exercise of the rights herein granted to the Editor; that no part of my contributions to the Work are libellous, obscene or unlawful or violate any right of privacy or plagiarise the work of others. The written record of all transactions and agreements regarding copyright permissions will be maintained in good order and will be sent to the editor when I submit my chapter. More information and help on copyright is available in the contributor manual and I confirm I have received and read this.

The Publisher may withhold permission or make a charge for using the material in another book where I am not the author/editor.
